

SCHEDULE “A”

Pine Lake Camp Trailer Park Policies and Rules 2025

Pine Lake Camp is a ministry of the Salvation Army that hosts summer camping programs for children and youth from across the Alberta and Northern Territories division. The purpose of Salvation Army camping is to serve the needs of campers; physical, social, and spiritual. Please visit <https://www.pinelakecamp.ca/camps/> for more information regarding Pine Lake Camp’s summer camping programs. Seasonal trailer sites/lots are provided within the trailer park for occupancy between May 15, 2025 and September 12, 2025, with the purpose of providing accommodation to friends and supporters of The Salvation Army and with priority given to those who are prepared to provide support services to the summer camping program as needed. Occupancy of a seasonal trailer site/lot is conditional upon the trailer site/lot camper(s) performing services and contributing to the summer camping program in the way described in these Pine Lake Camp Trailer Park Policies and Rules 2025 (the “Rules”). Summer camping program needs will have priority in all matters.

Trailer Park Boundaries:

Trailer park campers are welcome to use program amenities of Pine Lake Camp (as listed below and as made available). Outside of the use of these amenities, trailer park campers are to remain within the designated trailer park boundaries; not crossing the wood barrier past the parking lot. This boundary is marked on site with an example in the below picture.

All policies and rules relating to the operation of the trailer park are governed by decisions of The Salvation Army Pine Lake Camp Management Team and the Divisional Mission and Management Committee (Prairies and Northern Territories Division). These Rules have been developed to ensure good relationships and happy camping for all concerned. Applicants and their families and/or guests agree to the following:

The certificate must prohibit any change or cancellation in the policy without thirty (30) days' prior written notice to The Salvation Army.
2. **Termination by Pine Lake Camp:** Pine Lake Camp may refuse to grant permission to use a trailer site/lot or terminate a permission given at any time and for any reason. Furthermore, a permission to use a trailer site/lot can be terminated at any time, on the basis of non-compliance with these Rules. Where Pine Lake Camp terminates permission to use a trailer site/lot it will issue a refund for any fees paid from the termination date to the end of the term.
3. **Termination by Registered Owner of the Trailer (Seasonal Trailer Site/Lot Campers):** On or after the start of the seasonal camping season, permission to use the trailer site/lot may be terminated by the registered owner of the trailer named in the Application upon giving a minimum of thirty (30) days' notice in writing to the Pine Lake Camp Management office. For clarity, permission to use the trailer site/lot is not intended to create the relationship of landlord and tenant between The Salvation Army and the camper(s), nor is permission intended to create in any way a lease or other demise of any portion of the trailer site/lot or other lands to the camper(s).
